General Information

Masaryk University Medical Faculty provides three programmes of study through the medium of the English language: a six-year Master Degree Programme of GENERAL MEDICINE, a five-year Master Degree Programme of DENTISTRY and a three-year Bachelor Degree Programme of PHYSIOTHERAPY.

The curriculum for General Medicine leads to a diploma degree in "Medicinae Universae Doctor" (abbreviated to MUDr., placed in front of the holder’s name). MUDr. is equivalent to M.D., i.e. Doctor of Medicine.

The curriculum for Dentistry results in a diploma degree in "Medicinae Dentium Doctor" (abbreviated to MDDr., placed in front of the holder’s name). MDDr. is equivalent to Doctor of Dentistry.

The curriculum for Physiotherapy leads to a diploma degree in "Scientiæ Baccalaureus" (abbreviated to Bc., placed in front of the holder’s name). Bc. is equivalent to BSc., i.e. Bachelor of Science.

Tuition is through the medium of English. Students are also obliged to undertake training and pass examinations in the Czech language at the end of their first, second, third, and fourth years of study. This is necessary in order to be able to communicate with patients in Czech once they enter practical clinical training in hospitals.
Our degrees are fully recognised in the EU, the USA and in most other countries and is in accordance with Directive 2005/36/EC on the recognition of professional qualifications. For information on conditions for full registration and recognition of the diploma degree in Medicine, successful graduates should apply to the local authorities and professional bodies within the country they want to practice medicine. Our Faculty of Medicine is listed in the IMED - FAIMER International Medical Education Directory and in the AVICENNA Directory for medicine.

**Tuition Fees**

</table>

**Basic Conditions of Admission**

Every applicant must have successfully completed secondary education (i.e. secondary school, high school, college, etc.) resulting in a school-leaving examination, rewarded with a school-leaving certificate (e.g. A-level certificates).

Applicants’ secondary school results and a school-leaving certificate are required for further recognition of their secondary education in the Czech Republic in order to be enrolled.

Every applicant must successfully pass the entrance examination tests (see information below).

The applicant is allowed to sit the entrance examination only once per admission year.

Applicants from USA and Canada can be accepted on the basis of MCAT tests results (minimum 24 or 500 points according to a year of passing) or DAT tests results (minimum 20 points).

**Entrance Examination Requirements**

The applicants are accepted on the basis of a written entrance examination consisting of three separate tests in the following subjects: Chemistry, Biology, Physics or Mathematics in cases of General Medicine and Dentistry. The Physiotherapy applicants are accepted on the basis of two separate tests from Chemistry and Biology.

Each test contains 40 multiple choice questions with five possible answers out of which only one answer is correct. Each test takes 60 minutes. No periodic tables or other reference materials are necessary, apart from a simple calculator.

- The acceptance pass mark in General Medicine is 60%.
- The acceptance pass mark in Dentistry is 65%.
- The acceptance pass mark in Physiotherapy is 50%.

E-Applications

Applicants must apply on-line via an e-application to be found on our web site Electronic Applications for the exam in Brno (open from 4.1.2019 to 30.4.2019) or Electronic Applications for exams via agencies abroad (open from 4.1.2019 to 31.7.2019)

In the e-application, applicants will see all information on:
- correct completion of the e-application,
- submission of the e-application
- e-application acceptance confirmation
- e-application fee (CZK 1000.00) payment confirmation (the exam in Brno)
- the decision on acceptance or non-acceptance to study

Entrance Examination Dates

The deadline for submitting e-applications (for the exam in Brno) is 30th April, 2018. The deadlines for submitting e-applications for exams abroad are basically two weeks prior to exams. Please contact our representatives directly if you want to sit the entrance exam abroad (not in Brno).

Important: Former students of MU are obliged to sit the entrance exam only in Brno not via representatives.

Non-EU nationals may take the entrance exam from January to May. After that, they are not permitted to sit the entrance exam in order to complete the visa application procedure in time for the enrolment at the University. Entrance exams in June and July are available for EU citizens only

There are several possibilities to sit the entrance examination for Medical Faculty:
1. in Brno at University Campus on 11th May, 2019 at 9.00 a.m.
2. applicants can also contact our official representatives in the selected countries listed below and sit the entrance examinations in following countries

Conditions of Study

The conditions of study are stated in a contract and other documents, called the **Contract between the Masaryk University Faculty of Medicine and the Student**, the **Rules of Study and Examinations** and the **Disciplinary Rules of the Masaryk University Faculty of Medicine**. [http://www.muni.cz/general/legal_standards/study_examination_regulations?lang=en](http://www.muni.cz/general/legal_standards/study_examination_regulations?lang=en)

Recognition of Previous University Study

All applicants (irrespective of their previous or current studies at MU or elsewhere) must sit and pass the entrance exam. No exceptions are granted.

Upon acceptance and enrolment at MU – according to Section 12 of the “Study and Exam Regulations” - all compulsory and elective courses completed solely at MU during the course of previous unsuccessful studies, including their credit value, might be considered (following student’s written application) providing the duration of the period between their completion and enrolment in a current study does not exceed three years.
Previous studies anywhere outside MU (of any duration) will not be recognised and any completed courses considered. Accepted students elsewhere will always be enrolled into the first year.

Enrolment

Enrolment for the academic year 2019/2020 will take place in September 2019 during the week prior to the beginning of the autumn semester. The dates will be announced in the Letters of Acceptance, which will be posted to students.

Visas/Temporary Stay Permission/Permit de Sojourn

All non-EU citizens who come to study in the Czech Republic are obliged to get a visa prior to entry into the country. Non-EU applicants are therefore obliged to apply for visas as soon as possible at Czech Embassies. It is recommended to do so well in advance, as the visa process takes about three months.

Students are obliged to present a health travel insurance plan purchased from a Czech insurance company. This insurance must cover the dates indicated on the visa sticker. Make sure the period of purchased cover is not shorter than that indicated on the visa sticker in your passport. Students should present their contract with the Czech insurance company, plus confirmation of insurance payment at the time of their check-in as foreigners with the Czech police (within 3 working days after arrival in the Czech Republic).

Cost of Living and Accommodation

Foreign citizens have to support themselves fully, including full tuition fees, books, accommodation and meals.

Foreign citizens may be eligible for an accommodation scholarship granted by Masaryk University.

Accommodation in the Students’ Hall/Dormitories costs approximately EUR 150.00 per month (2 people in a shared room) - http://www.skm.muni.cz/. Room booking is provided online.

3 Meals a day in an academic refectory cost around EUR 8.00 per day.

A 3-month ticket for public transport costs EUR 26.00.

Further information will be provided on enrolment.

How to Access Brno

Direct flights to the airport in Brno are limited to Ryanair, www.ryanair.com. Other flights: Czech Airlines, www.csa.cz or any other flight companies to Prague or Vienna (Austria), with the following coach/train transfers to Brno. From both airports, you can also use Student Agency Ltd. “yellow” buses https://www.regiojet.cz/ to get to Brno. For further details about transport connections to Brno and our Campus, see our link “Transportation in Brno” and http://wikitravel.org/en/Brno.
