

Examination rules for students

All students must ensure that they have read and fully understand the Examination Rules before sitting examinations.

- No student may bring any food and drink into the examination venue, with the exception of water in a transparent plastic bottle from which all labels have been removed.
- No student may take into the examination room books, papers or electronic aids. Bags and other such articles must be left in designated areas.
- Students bringing pencils, pens and other such items have the option to carry them in a transparent pencil case or bag. Other pencil cases must be left in designated areas.
- Students are not permitted to keep any electronic devices** (including notes in any format, mobile telephones, electronically stored data or illegitimately annotated copies of dictionaries, etc.) **or informations on their person during examinations.**

If any student breaches this rule (any form whatsoever of cheating), this conduct will constitute academic misconduct and student will be excluded from the exam.
