

COMPREHENSIVE INFORMATION ON THE APPLICANT'S SCHOLARLY AND PEDAGOGICAL WORKS, CITATIONS AND ADDITIONAL RESPONSES

in accordance with section 5, subsection 2, letter g and section 13, subsection 2, letter h of the MU directive on Habilitation Procedures and Professor Appointment Procedures

Each work, citation or additional response may be listed no more than once¹.

Scholarly and artistic works by the applicant – listed in Annex No. 5

Result type		Number
Original research article	Article published in a scholarly journal listed in the WoS database	
	Article published in a scholarly journal listed in the Scopus database	
	Article published in a scholarly journal listed in the ERIHplus, ERIH	
	Article published in a Czech peer-reviewed journal	
	Article published in another peer-reviewed journal	
Scholarly book publication		
Chapters in a scholarly book publication		
Article in proceedings	Article listed in an international database	
	Article not listed in an international database	
Patent	European patent, US patent or Japanese patent	
	Czech or national patent used on the basis of a valid license	
	Other patents	
Pilot plant, verified technology, variety, breed		
Results with legal protection (utility model, industrial design)		
Technically realized results (prototype, functional sample)		
Results utilized in legislative, non-legislative or strategic documents		
Certified methodologies, specialized maps, medical, conservation methods		
Software		
Research report		
Audiovisual works		
Invited lectures		
Conference abstracts		
Editorship of a scholarly book publication, thematic proceedings or single-topic scholarly journal		
Conference presentations		
Original works of art		
Artistic presentation		
Special-purpose publications		

¹ The number of results, citations and additional responses listed in this annex must correspond to numbers listed in annexes 4, 5 and 6.

Three scholarly or artistic works considered most significant by the applicant (including a brief substantiation²)

1. [Bibliographic record]

Substantiation:

2. [Bibliographic record]

Substantiation:

3. [Bibliographic record]

Substantiation:

Pedagogical works by the applicant – listed in Annex No. 4

Result type	Number
Textbooks	
Textbook texts, teaching aids (including textbook sub-chapters)	
Popular science texts and activities	
Compilations and educational texts and presentations	

Three pedagogical works considered most significant by the applicant³ (including a brief substantiation⁴)

1. [Bibliographic record]

Substantiation:

2. [Bibliographic record]

Substantiation:

3. [Bibliographic record]

Substantiation:

Citations responses to scholarly and artistic works – citations listed in Annex No. 6

Citations of scholarly or artistic works	Number
Citations – international databases	
Citations – other	

² Expert substantiation of the significance of a publication (i.e. not merely information on its inclusion in a database, etc.).

³ In the case of habilitation procedures, applicants may list three works they consider most significant especially in the case of fields where pedagogical publications are key (especially pedagogical fields). In the case of professor appointment procedures, applicants must always list three works they consider most significant.

⁴ Expert substantiation of the significance of the publication.

Citations of pedagogical works – citations listed in Annex No. 6

Citations of pedagogical works	Number
Citations – international databases	
Citations – other	

Additional responses to scientific, professional, artistic and pedagogical works by the applicant – citations listed in Annex No. 6

Number of additional responses	
--------------------------------	--

Three citations considered most significant by the applicant (including a brief substantiation⁵)
