

Results of the Internal Grant Agency Competition at the Faculty of Medicine, Masaryk University

Accelerate Program

The Accelerate Program is designed to support the application potential of research outcomes and their significant progress towards clinical practice. The program follows the standards of the highly successful SPARK Stanford program.

The competition ran from September 3, 2024, to October 11, 2024, with the selection process concluding on December 9, 2024.

The Internal Grant Agency Board of the Faculty of Medicine, MU, has decided to support the following projects:

Principal investigator	Project name	Registration number of project
Bohačiaková Dáša, Mgr. Ph.D.	Advanced Induced Pluripotent Stem Cell Lines for Alzheimer's Disease Modelling	1430/2024
Ševčíková Sabina, doc. RNDr. Ph.D.	Detection of extramedullary disease in multiple myeloma based on liquid biopsies	1421/2024
Šuráňová Markéta, Mgr. Ph.D.	A nanopatterned surface on the artificial intraocular lens in prevention of secondary cataract	1387/2024

In Brno on 9. 12. 2024
